

Test Day Info

On test day we like to provide food for those who are testing as well as the judge and coaches since some of the skaters may not want to eat or drink too much, too close to their test but may want to have something after, or others that may need some extra energy before taking the ice. Since your skater is taking part in test day we are asking if you would like to provide an item for the potluck.

Also your payment for the tests is due **on** test day so if you could write a check or have the exact amount of cash for the tests being tried and get it to me at the rink and I will give you a receipt saying it was received. If you are unsure of what the total is please feel free to ask your coach or send me an email with your skaters name and I can let you know. Fees are as follows:

Dance: \$27

Freeskate Solo: \$27

Skills: \$32

Freeskate Elements: \$37

These fees include the club fee as well as the Skate Canada Fee.

Out of Club fee is an extra \$15.

Thank you,

Test Chair Metcalfe Skating Club
